

Newsletter Nr. 7 – June 2019

Dear readers,

Welcome to the seventh and last edition of the HIRMEOS newsletter. The newsletter keeps you updated on developments in the project *High Integration of Research Monographs in the European Open Science infrastructure* ([HIRMEOS](#)).

After 30 months of intensive work, the HIRMEOS project is now coming to its conclusion. We hope you enjoyed reading our newsletter and would like to thank you very much for your interest.

Even after the end of the project, you will still find on our website all the project results as well as the blog posts informing you about the activities carried out within the framework of the project.

Sincerely,

Andrea Bertino
